

314 Volleyball Club

January

Hello everybody!

Something very important to both Club Directors Stephen and Sam is to make sure everyone involved in the club feels like they are truly a part of something and not just a number in the club!

2020 made that harder than ever with COVID-19! And we expect 2021 to bring its own challenges this year.

So in an effort to highlight different accomplishments, players, and teams this season...we have decided to send out a monthly “newsletter” of sorts to recap what is going on within the club!

Highlights!

- **12's Team won the first ever medal for the Club on January 10th with only SIX players!**
- **13's went on the first ever out of town tournament to Cape Girardeau and finished 3-4**
 - **13's are 7-1 in Gateway League competition!**
- **17's Team alone raised over \$2,000 for Double D's Pizza Fundraiser. Nearly \$3,000 was raised throughout the Club!**

314 VBC – 12's

- **Won Silver at the Jammin' in January Tournament with only 6 players due to COVID precautions**
- **First 314 VBC team to ever get a medal!**

Conclusion

We hope everyone is enjoying their first season with 314 VBC!

As you all know, this is our first season as a club. We obviously have been hit with some unbelievably challenging hurdles this year at the hands of COVID-19

2021 will bring its own challenges and we are ready to attack them head on and be aggressive! Just like all of our teams do for every match!

Thank you to all players, parents, families, coaches, etc. who have been involved in our inaugural season. Your patience in dealing with us as we continue to learn things and continue to adjust to the changes the world is putting upon us every day has been so appreciated.

Here is to a safe, healthy, competitive, and winning 2021! Please come say hi if you see us in Indy next weekend!

**Thanks!
Sam & Stephen**
